**SPECIFIC LIMINTATIONS:** The purpose of Youth Quests Teams is for ministry of the Gospel of Jesus Christ and His church, not sightseeing or shopping. Any available sight-seeing and shopping will be permitted only if it coincides with the team's main purpose, but could be canceled in not deemed convenient for travel, time or if it hinders the ministry of the team.

Contributions equal to involvement expense are based on costs well in advance and are subject to increase. Dates, travel arrangements and schedules are subject to change. Teams or teens may be switched in the event of any crisis—political, natural, mission-related or for disciplinary reasons. All registrations and contributions are for the World-wide ministry of Youth Quests (not team members) and are non-refundable, non-transferable and not carried over for another year on IRS guidelines.

Note: Your participation on a Youth Quests team constitutes permission for your name and picture to be used in Youth Quests publications.

In the event of any cancellation (including no shows) after 60 days previous to teams start date, team member/leader may be held liable for airline penalty or entire cost of airfare and administration fee.

In the even of political unrest, natural disaster or a problem with the hosting mission, Youth Quests decides if and where to send a team.

In the event that a team is canceled for any reason or does not fill to a 13 minimum, team members will be assigned by Youth Quests to another tam which may or may not be in the same area of the world. Contributions are not refunded.

Youth Quests is a highly disciplined organization with regulation sin many areas including conduct, dress and Christian testimony. These are explained in the Youth Quests policy sheets and in other information to team members, leaders and staff.

Any member involved with drugs or sexual immorality, according to Biblical standards, (including fornication, adultery, homosexuality and premarital sex) will be sent home at the team member's and/or parents' expense, without granting any clemency, so as not to destroy the testimony of the team or mission with which we are working. Drinking alcoholic beverages, smoking, stealing or open rebellion will not be tolerated. Legally married couples are accepted as leaders ONLY, not as team members. Living quarters are provided for them as husband and wife. Due to the no pairing of policy, dating or engaged couples may not go on the same team as team members (or leaders).

Team members, leaders and staff adhere strictly to Youth Quests policies and are subject to dismissal for disobedience without refund or reimbursement. Team members, leaders and staff serve at their own risk, and Youth Quests is not liable in the event of sickness, accident, death, terrorist acts or for transportation or any other expense beyond that of the normal team involvement.
